## SEASON REGULATIONS

(Rules in this section are specific for sport involved. Refer to Constitution, Bylaws and Rules of Eligibility for regulations related to age, residence, scholarship, amateur status, etc.)

**ALERT: State Law (175.22) prohibits use of cell phones (and other image-recording devices) in locker rooms except in emergency situations.**

### 1. PRESEASON AND OUT-OF-SEASON

- a. Organizational meetings may be conducted outside the season provided no instruction or practice is included and the meeting(s) has been approved by school administration.
- b. So long as participation is voluntary and available to all interested students, there shall be no restrictions upon schools, school teams and school coaches (grades 9-12) relative to assembling in the summertime, for up to 5 days which do not need to be consecutive for all WIAA sports sponsored by the school. Unrestricted contact days must conclude no later than July 31.
- c. It is the philosophy of this Association that athletes should not be unreasonably restricted, except during the actual school season of a sport. Subsequently, students may voluntarily assemble at any time without school and/or school coach involvement. With school consent, in the summertime, members of a school's team may voluntarily assemble with their teammates and coaches for purposes of instruction and/or competition for up to 5 days in all WIAA sports sponsored by the school, without restriction. **Note: Whether an opportunity is school sponsored or not, coach contact may not exceed Board of Control approved contact days.**
- d. Other than during the actual school season and those days designated as unrestricted coach contact days in the summertime, the following provisions shall apply to nonschool participation in accordance with the above:
  - (1) An acceptable nonschool program or activity is one which is not limited to students on the basis of a school affiliation, athletic experience, team status, etc. **and no school monies or resources can be applied.**
  - (2) The person who will be coaching a student in the following school season shall not be permitted to coach that student other than during the designated school season and Board of Control approved coach contact days in the summertime. Board of Control approved summertime contact is as follows:
    - (a) Coaches in all WIAA recognized sports (baseball, cross country, football, golf, gymnastics, softball, swimming & diving, tennis, track & field, volleyball, soccer, basketball, hockey and wrestling) have been afforded up to 5 days of **unrestricted** summertime coaching contact between the end of school and July 31, in accordance with the Bylaws and as described above. The five days do not need to be consecutive.  
Note: There must be a minimum of one calendar week (Sun.-Sat.) of no school and/or coach contact (i.e. the week immediately preceding) the first allowed practice in a fall sport (beginning in 2012).
    - (b) **Unlimited nonschool** coaching contact beyond the five unrestricted days is permitted to continue throughout the summertime (when school is not in session) in the sports of baseball, cross country, golf, gymnastics, soccer,\* softball, swimming & diving, tennis, track & field and wrestling, in accordance with the Bylaws and as described above.  
\*Unlimited nonschool coach contact for fall soccer must conclude by July 31.

Note: Coaches or others may not mandate participation or provide any incentives to athletes for participating in summertime/out-of-season activities/programs. Participation may not be a requirement for making a school team or earning a letter award, etc.

### 2. LENGTH OF SEASON

The earliest day practice may begin is Monday of Week 6 (August 12). The season ends with the State Tournament concluding on Saturday of Week 17 (November 2).

### 3. MINIMUM DAYS OF PRACTICE

- a. There must be practices on a minimum of seven different days before the first competition may be conducted.
- b. The first five days of practice may not involve a team from outside the school.
- c. The minimum days of practice prior to the first competition is a team requirement. While it is desirable for each participant to satisfy this requirement, schools will determine when students may begin competition.
- d. Teams must rest from all physical activity for at least one calendar day after six consecutive days of practice or competition. **In the event extreme weather forces a WIAA tournament contest to be cancelled, school administration may request relief.**

### 4. SCRIMMAGES

- a. One scrimmage, over one day, with another school or schools may be conducted in addition to the maximum allowed games, meets, or contests, provided all athletes participating meet all WIAA and school eligibility requirements (exceptions: students ineligible due to academic deficiency, code of conduct violations, or those required to miss the next competitive event, due to being ejected from their last competitive event, may participate at the discretion of the school), and:
  - (1) A school may not scrimmage against a nonschool affiliated club team.
  - (2) Five different days of practice have elapsed.
  - (3) There is no loss of academic class time.
  - (4) Each high school team, i.e., varsity, JV, sophomore, freshman, is allowed one scrimmage.
  - (5) An individual student is allowed to participate in only one day of scrimmage activity. Note: An individual student may participate in multiple levels of scrimmages conducted on the same day.
  - (6) There is no score in a book or on a scoreboard.
  - (7) A win/loss does not count in a team's overall record.
- b. Any interschool scrimmage other than the one described in 4. a. counts toward the maximum allowed games.

Note: If either school counts a scrimmage as a game, it must be counted as a game for both programs, schools or teams.

- a. A student, disqualified from a contest for flagrant or unsportsmanlike conduct, is suspended from interscholastic competition for no less than the next competitive event (but not less than one complete game or meet).

Exception: An injured athlete will be allowed to participate in the awards ceremony provided he/she is included in the roster allotment for that game. During the regular season, schools should establish their own policy as to whether athletes are allowed to be in uniform and participate in pregame and postgame activity, if they are ineligible to compete due to flagrant and/or unsportsmanlike conduct, athletic and/or academic code violations, or for any other reason.
- c. Any player who spits on, strikes, slaps, kicks, pushes or intentionally and aggressively physically contacts an official at any time shall be immediately ineligible for competition a minimum of 90 calendar days from the date of the confrontation. - b. Phone location and phone numbers available for contacting physician and/or ambulance service.

**13. CONCUSSION AND/OR UNCONSCIOUS PARTICIPANT**

Any athlete suspected of having a concussion must be evaluated by an appropriate health-care professional that day.
