ADDITIONS

- a. A school may not compete in the tournament program if it has participated in more than 24 games.
- b. A school must participate in a minimum of four games in the regular season to be eligible for tournament competition.
- c. Any varsity team whose players and coaches, during the regular season, collectively receive a total of 24 or more yellow cards (including all second yellow/red cards) will be prohibited from participating in the WIAA State Tournament series. This ruling may be appealed by the school involved.
This rule does not apply to yellow cards received during the tournament series.
- d. Host schools are not permitted to allow participating schools to practice on their facilities prior to the tournament.
- e. It is recommended that fields be a minimum of 65 x 110 yards.
- f. The maximum number of participants for each tournament game is 22. Each participating school will be allowed a maximum of 22 players in full uniform for each tournament game.

Noncompliance with this regulation, once competition has begun, shall be regarded as flagrant, unsportsmanlike conduct on the part of the head coach resulting in his/her immediate ejection (leave premises) when brought to the attention of the game officials.

Note: If no other coach or faculty member of that school is present to supervise the team, the game shall be forfeited and the team disqualified from further participation in the tournament series.

The school wearing light jerseys will be designated as the home team on the scoreboard. This year's tournament falls in an odd-numbered year.

Note: Beginning in the fall of 2013, all-white jerseys and socks will be required for home uniforms.

- h. Both teams shall be located on the same side of the field.

During the tournament series, once a player accumulates three yellow cards, they are suspended for the next game; three more yellows, suspended for two games, etc.

If a player enters the tournament series having accumulated five or more yellow cards during the season, their yellow card count continues. Once they reach eight total cards (regular season and WIAA tournament series) they are suspended for two games, eleven yellows - suspended for three games, etc.

- j. If a tournament contest is suspended at any point it will be continued from the point of suspension on the next available date, unless both coaches agree to let the recorded score stand.
- k. Contests Ending in a Tie

- (b) Each coach will select any five players, including the goalkeeper, on or off the field (except those who may have been disqualified) to take the penalty kicks.
- (c) A coin toss shall be held. The team winning the toss shall have the choice of kicking first or second.

- (e) Following five kicks for each team, the team scoring on the greatest number of these kicks shall be declared the winner.
- (f) If the score remains tied after each team has had five penalty kicks, each coach will select five different players than the first five who already have kicked to take the penalty kicks in a sudden victory situation, wherein if one team scores and the other team does not score, the game is ended without more kicks being taken.
- (g) Add one goal to the winning team score and credit the team with a tie. An asterisk (*) may be placed by the team advancing to indicate the advancement was the result of a tie-breaker system.

SEEDING PROCEDURES

- (1) Seeding meetings must be conducted prior to Wednesday, October 2.

- (1) Coaches are required to participate in seeding meetings.
- (2) Each school will designate one person to speak on behalf of their school.
- (3) If a school is not represented at the seeding meeting, their school may still be seeded, if appropriate. If the school is not deserving of a seed, they may be ranked/positioned last.
- (4) Each coach will update his/her Season Summary to include any games played after form was submitted.

- (5) Prior to the start of the meeting, have the coaches draw to determine the order of presentations. Each coach should be allowed three minutes to discuss their season.
 - (6) Coaches should consider these factors when determining their seeds (factors are not listed in any order of preference):
 - (a) Coaches comments.
 - (b) Head-to-head competition against teams in their regional grouping.
 - (c) Comparative scores against like opponents.
 - (d) Conference standings.
 - (e) Relative strength of schedule.
 - (f) Overall win-loss record.
 - (g) Other special factors (e.g., injury of a key player, etc.).
 - (7) Once everyone has had the opportunity to speak, coaches should complete their Ranking Sheet. Coaches are not allowed to rank their own team.
 - (8) After all Ranking Sheets are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner (e.g., chalkboard, chart, overhead, etc.).
 - (9) The rankings shall be tallied and the team with the lowest number will be the #1 seed, the team with the second lowest number shall be the #2 seed, etc., until all seeds are determined.
- c. Breaking Ties
- (1) In case of a tie:
 - (a) If a tie results at any time, move to the appeal procedure below.

d. Appeal Procedure

If a team feels it should have received a higher seeded position or there is a tie, once the votes have been tabulated, it may appeal its position relative to that of any other team. The following procedures shall be used:

- (1) Appeals may NOT be made for a lower seed. Always start from the bottom and work toward the top seed when working through the appeal process.
- (2) The coach making the appeal shall have one minute to state his/her claims to the higher seeded position. The coach of the team being challenged will then have one minute to state his/her claim to that position.
- (3) All coaches NOT involved in the appeal will have one vote to determine which team gets the higher seeded position. No coach is allowed to abstain from voting.
- (4) After all ballots are turned in, the individual conducting the Seeding Meeting will record the ballots of each school alphabetically in a visible manner.
- (5) The team with the most votes receives the higher seeded position.
- (6) A team may make any number of appeals, but an appeal between the same teams cannot be repeated. Teams may only appeal one seed higher at a time.
Example: School is seeded 6 and feels they should be the 4 seed. First, they must appeal for the 5 seed. If successful in obtaining the 5 seed, they could then appeal for the 4 seed.
- (7) If when voting on an appeal a tie vote occurs, the original placement shall stand.
- (8) If this is an attempt to break a tie from the original placement of teams, continue to hash it out until the vote determines the placement of teams. Use a coin flip only when it appears there is no way to break the tie.
- (9) A team cannot appeal a tie-breaking vote.
- (10) All disagreements regarding seeding must be settled at this meeting. Once the meeting is over, the seeds are final. The WIAA will not change the results of your seeding meeting or hear appeals.
